DEPARTMENT OF EDUCATION

Submission for OMB Review; Comment Request

AGENCY: Department of Education

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before [insert the 30th day after publication of this notice].

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Education Desk Officer, Office of Management and Budget, 725 17th Street, N.W., Room 10222, New Executive Office Building, Washington, D.C. 20503 or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Reporting and Recordkeeping Hour Burden:

Responses: 5,270

Burden Hours: 1,185

Abstract: The objective of the evaluation is to estimate the impact on secondary student math achievement of teachers who obtain certification via Highly Selective Routes to Alternative Certification (HSAC) routes compared with teachers who receive certification through traditional or less selective alternative certification routes. The evaluation design is an experiment in which the researchers will randomly assign secondary school students to a treatment or control group. This submission includes the justification and plan for the data collection of information and statistical methods for the evaluation. The package also provides an overview of the study, including its design and data collection procedures.
